## Lessons for the month

### Numbers and Letters

- March 5-9, Rr and 10
- March 12-16 Kk
- March 19-23 Ee
- March 26-30 review
- April 2-6 Spring Break

### Focus

- Rhyming Words
- Opposites
- Phone numbers

Welcome to the month of March! It is hard to believe we are already at this time of the year. Time goes so fast! And we have a lot of fun things planned for this month so I am sure it will go by just as quickly!

We will begin working on our phone numbers with our MWF children and will continue name and letter recognition with our younger Cherubs. We will also finish our number focus with the letter 10 but will continue to review for the remainder of the year.

We will be having some fun this month with Dr. Seuss and Mother Goose Rhymes. Children love rhyming words, it is just a silly thing to do that seems so funny to them. This is a great time to do some rhyming at home, and can be fun in the car.

In addition to our daily routine we are in the process of registering for next year. You will receive registration forms the week of March 5 for any children or siblings returning next year. We will open to past families on March 20 and to the public on March 21. You will want to return your registration form ASAP to save your spot, I anticipate a full house!

## PARENT TIP FOR THE MONTH:

---

As we continue to build independence at school consider doing the same at home. Children love to have special jobs around the house. Some suggestions are setting the table, collecting trash, feeding pets, putting away clean dishes, sweeping, dusting, running the vacuum. There are lots of ideas, and they all teach responsibility. Even our littlest Cherubs can do special jobs such as cleaning up their toys, putting away their shoes, etc. As they get older they should still be responsible for these tasks, but gradually add things that help the whole family, not just being responsible for their own belongings. It takes practice, but it is well worth it in the long run!

## IMPORTANT DATES :

- March 6 and 7 - Tacky Tuesday and Wacky Wednesday, in honor of Dr. Seuss dress crazy!

## SPECIAL NOTES:

### THE CHERUB SCHOOL ANNUAL ART SHOW

On March 15 we will hold our annual Primary Colors Art Show! This event is our most popular fundraiser of the year. It is a great evening to celebrate samples of work your child has made throughout the year! Invitations will be coming home soon and please feel free to share, we welcome all family and friends.

In addition to viewing the art work there will be raffle items available to try and win for a small fee. We typically have gift certificates, hand made items, gift baskets, some items for adults as well as children. If you have a talent or a business that would like to contribute something we would greatly appreciate it. Please send in all donations by March 13 and see me if you have questions.

Also as part of our art show we will be sending home an art project that can be ordered in the form of flags, bags, mouse pads, mugs, etc. This year our project will have a bug theme and will feature your child's footprint. These items make great summer gifts. Ordering information will come home with a project sample the week of the art show.

### ST. PATRICK'S DAY

St. Patrick's Day is March 17, we will celebrate on Thursday the 15 and Friday the 16. We have a little fun with this holiday but it does not alter our normal daily schedule. We will be looking for that sneaky leprechaun that likes to make a mess of our school and leaves gold dust everywhere! We will also wear green and would love to see green snacks for that day. We will also have Student Showcase and they can bring something GREEN to share.

### EASTER PARTIES

Our Easter celebrations will be on March 29 and 30, beginning at 11:15 each day. We will have an egg hunt followed by some songs and special snack. More information will be coming home soon from your room parent. *Red Racecars will celebrate on Friday.*
