-

Literacy:

- Sept 20 - 23: Parts of a book
 - Sept 27 - 30: Alphabet Song
-

Focus:

Adjusting to school and routine. Apples and wellness.

WELCOME !

We are so excited to be back at Cherub this year! After a year of uncertainty, opening our doors has made us so happy and excited. We are glad you are here with us!

This month we will spend a lot of time getting used to our new routine and making new friends. We know that this transition to school can be hard for some students (and parents too!) but we are here to help. Be patient with the process and know that this normal. We will practice standing in line, sitting for a story, unpacking our bags and finding our cubbies! We will learn our school rules and practice following those rules. We will also have LOTS of fun! September will be a great month and we are looking forward to all it will bring.

If you have any questions or concerns, please don't hesitate to ask! You can reach me through email or by phone. Enjoy this process with your child and let us know if we can help.

Ashley Phan

A FEW REMINDERS:

Playground Rules

Playground rules at school may be a little different than at home. We don't climb up the slide or on top of the equipment. We don't throw mulch or sand. We take turns and we help one another as needed. We clean up and line up when the teacher calls us. It is also recommend that children not wear open toed shoes or those with slick bottoms.

IMPORTANT DATES TO NOTE:

- Sept 13 & 14 - First days of school
- Oct 11 - No School
- Oct 25 - Picture Day! Tuesday/Thursday classes are asked to come in briefly for pictures. More info to come.
- Oct 28 - Fall Celebration! You can wear your costume!
- Nov 1 - No School
- Nov 2 - No School

We have no September Birthdays so we will not have our Birthday celebration at the end of the month.

Snack Time

Please send in a healthy snack and a reusable bottle of water each day. The Health Department recommends two components, for example yogurt and pretzels. Remember that this is snack and not lunch, however they will be eating for approximately 15 minutes so please send enough to occupy them. **Please label your child's lunch box or snack container.**

Pick-up and Drop-off

Pick-up and Drop-off has been going very smoothly! Thank you for your patience as we continue to adjust. ID's will be checked in the afternoon so be sure to have it with you every day.

Don't forget to label all items with your child's name! This includes lunch box, water bottle, tote bag, jacket, etc.

Parent Tip of the Month:

Sometimes what is best for your child doesn't always feel like what is best for you. Leaving your child at preschool can be harder on parents than it is on the child. Children adapt well, and the skills they are developing at school will help build independence, confidence and character. However, knowing this doesn't always make it easier to let them go. As you transition through this first major separation, rest assured that you are doing the right thing. Give them a big hug and celebrate the fun they have had during their time at school. If there are tears, persist. They will get use to their new routine and it will be for the best in the long run. Rest assured that they will be loved and well cared for during their time at Cherub!
